TOYS FOR TOTS

the Last plastic Straw

thelastplasticstraw.org

#TheLastStraw

Did you know, The U.S. uses enough straws annually to wrap around the earth 2.5 times? 500 million plastic straws a day which are not biodegradable that get ingested by land and sea creatures alike. Plastic straws make the top 10 list of litter items found during International Coastal Cleanup day, and here at Alfie's we decided to make a change. Partnering with environmentalist group **#TheLastStraw** Starting November 1st we will no longer serve straws plastic straws. We will offer an environmentally friendly corn based straw upon request. Find out more about how you can help our beaches by visiting thelastplasticstraw.org and say no to straws!

DINA'S DISHINGS!

As we close out this year, we would like to reflect on our successes and failures, our challenges and triumphs, our ups and downs. Thank you all for being a part of all of it, we work very hard to make you feel at home here at Alfie's. If there is anything we can do to make your visits more enjoyable, please let us know. We hope you enjoy your holiday season both at home and here at Alfie's as we welcome Santa for breakfast and also help those less fortunate by being a Toys for Tots drop-off and volunteering for the Salvations Army by ringing the bell. Once again, the Alfie's family has generously supported, Breast Cancer Awareness, the Ormond by the Sea Lions Club, AARP, and local schools, churches and charity organizations. This year we celebrated our 31st Anniversary serving the Ormond by the Sea community! We are very proud of our family, our staff and our guests! May you all have a very Happy Holiday Season!
